

GOOGLE VOICE

By Dick Evans

GREAT FOR OBTAINING A 941 NUMBER

Is your cell phone out of state?

Get a Google Voice 941 number and have all calls to it automatically ring your out of state cell phone.

GET STARTED WITH GOOGLE VOICE

With Google Voice, you get a free phone number for

- Phone calls
- text messages
- and voicemail.

You can use the apps on smartphones and computers, and you can link your number to any mobile or landline number.

WHAT YOU CAN DO WITH IT

- Text from your computer or mobile phone
- Read your voicemail and search through it like email
- Personalize voicemail greetings for family and friends
- Make international calls at low rates
- Get protected from spam calls, block unwanted callers, and screen calls before answering

To offer these services, Google Voice saves and processes your call, text, and voicemail information.

HOW TO GET STARTED

You will need a Google Account

Sign up at:
