## June Member Meeting Report

On June 2, 2021 CCCGC held its monthly gathering at the Military Heritage Museum Auditorium.

5:00 pm Members had time for interaction & get-to-know-you time, check on membership info, secure giveaway tickets and get ready for the open forum.

6:00 pm The Intermediate open forum class, led by Mary Fleenor, was attended by 18 members. Some topics discussed included: email question regarding in-office classes resuming, directions to the office, creating pictures, “open with” selections, switching to incognito mode (nothing saved), etc.

7:00 pm General Member meeting was attended by 26 members on site and 8 members via ZOOM.

- ◆ George Kopenc congratulated the **May Volunteer of the Month, Leida Boyko**. Leida is well known for assisting in the office for many years and with the membership at the general meetings.
- ◆ George Kopenc shared the “Monthly Favorites” for June: <https://fast.com/> Netflix's Fast.com is a free, cleanly designed website that simply does one thing: measures how fast your Internet download speeds are. ... “If results from fast.com and other speed tests often show less speed than you have paid for, ask your ISP provider about the results.
- ◆ George Kopenc read the proposed By-Laws correction which changes our physical address from the Cultural Center to 514 E Grace Street, Punta Gorda, FL. Mary Fleenor motioned to accept the correction. Sandy Todd seconded. The correction was unanimously accepted.
- ◆ Due to major technical difficulties (which we all experience from time to time) the presentation scheduled for the evening, a genealogy program entitled “Gramps”, had to be cancelled. If you are interested in checking it out on line, go to: <https://gramps-project.org/blog/>
