## CCCGC President's Message

*Mary Fleenor, President*

Dear Members,

The next general member meeting is scheduled for Tuesday, March 1, 2022 at the Military Museum in Punta Gorda beginning at 6 pm with an open forum. Gary Skillicorn will be the main presenter speaking about GPS at the 7 pm meeting.

**We are in desperate need of someone to take over as editor for our monthly newsletter and events calendar as Rose Kopenec will be resigning that duty as of the April issue. If you are interested in taking on this monthly duty for the club, please let me know.**

Check the Event Calendar for course offerings, and click the links for registration. We are always looking for interesting topics for classes or presentations and people willing to share their expertise. If you have a suggestion or are willing to volunteer as a presenter, instructor, or to work in the office on the front desk or in a technical support role, please contact the office ([cccgcoffice@gmail.com](mailto:cccgcoffice@gmail.com) or 941-585-0356).

The 2022 board will be meeting soon and I encourage all members to offer suggestions on how we may improve the organization to better serve your needs. Remember that the CCCGC is YOUR organization and you are invited to attend all board meetings, in person or via Zoom. The next Board meeting will be on Friday, March 25, 2022 at 2:00 pm. Here is the Board ZOOM link: [CCCGC Bd Mtg](#)

If you know CCCGC members who are sick or have recently died, please share the information with the office ([cccgcoffice@gmail.com](mailto:cccgcoffice@gmail.com) or 941-585-0356) Attention: Maureen Rand.

Stay safe and healthy!

## February Member Meeting Report

On February 1, 2022 CCCGC held its member meeting at the Military Heritage Museum Auditorium.

**6:00 pm** After a long delay because of museum electrical issues, the Open Forum began at 6:40 pm was led by Mary Fleenor. 36 members attended on site and 2 via Zoom. Topics discussed included: virus vs malware programs, WIN11, recent scams and how to handle them, Ninite programs options, Peacock, VPN (Virtual Private Network) and HTTPS vs HTTP.

**7:00 pm** There were 45 people in attendance (39 members on site, 3 via Zoom and 3 guests).

Mary Fleenor recognized the Volunteer of Month, Dennis Furs, from the Military Heritage Museum, for his generous work each month behind the scenes for our general member meetings.

Mary Fleenor shared information with the group regarding VITA, a tax preparers organization working out of Englewood. Fran Robitaille, a member of our Board, also works with this group each year assisting in preparing taxes. VITA has borrowed computers from CCCGC in the past and once again this year we have loaned them 4 PC's.

Mary Fleenor spoke about the questionnaire handed out as members checked into the meeting this evening. It contained options for members to share time and talent with their club.

George Kopenec shared the monthly favorites for February as "Terms of Service" reminding members that the link and information can be found on the CCCGC website.

Gary Skillicorn made a plea for suggestions for programs to present at the member meetings. Because of the electrical issues at tonight's meetings, his GPS presentation has been postponed until the March meeting.
